Wednesday

Tells Unusual Features Parent-Faculty of Indian Universities; Students Range from Five to Seventy

Speaker Is Graduate of London University; Chants Hymns

"Peruvian Civilization, Today and Yesterday," will be the topic of Miss Lhoiry, native Peruvian, at the Sphinx Club this afternoon. As the second of a series of speakers who will discuss remote countries and their cultures, Miss Lhoiry has been away but one month from her homeland. Being of the ancient Inca blood herself, she will discuss the older and recent Inca culticular the older the old discuss the older and recent Inca cul-ture, and will exhibit objects illus-trating the art and culture of her

Hindu Scholars Lectured

Dayananda Pri-yadarsi, Hindu scholar and lecturer, delivered a mes-sage on the teachings of India's popu-lar leaders, Tagore and Gandhi, to the Sphinx Club last Wednesday.

Known by his English name, Darrell Parris, while attending the London University in England, he was prominent among the Indian students who brought understanding of the East to the West.

East to the West.

Mr. Pri-yadarsi is visiting the United States for the next six months as a far East delegate to the World Religious Parliament in Chicago. As a co-worker of Gandhi, a leader of the India Youth Movement and the People of Sage Adepts, he has given the Sphinx members a new insight into the culture of his native homeland. He is an A.B. graduate of London University and a world wanderer among all the strata of life in both the East and the West. and the West.

Tagore, Gandhi Contrasted

Tagore, Gandhi Contrasted
The speaker chanted the two hymns that symbolized the teaching to Tagore and Gandhi in their different universities. Both sought the revival of the old ideals of Mother India, but through different approaches. Tagore's university can be attended by students of 5 to 70 years of age. They are free to choose any course of learning, art, or philosophy they care to follow. The tuition is about \$7.50 per month, which includes room, board, laundry, and education.

Perhaps the first thing a visitor will notice is the freedom and happy laughter of the children, and always the song of Tagore is heard. Tagore has tried to blend the cultures of all nations, and through India unite all in the art, beauty, and life of ancient India

Gandhi Practical Natured

The speaker chanted the song Gandhi, which expresses the love the student towards nature, beauty and freedom. Gandhi believes in suppressing all unreal or vague ideas. He believes the working masses should produce by the sweat of their brow and has instituted the boycott to do

away with labor exploitation, and raise the untouchable caste to a free mass. In answer to questions of the ancient faiths that are the background in the teachings of religious leaders, the speaker outlined the principles of Gandhi's followers. They must-take the vow of celibacy, the vow of abnegation, fast, and must give away all personal possessions and wealth as part of the vow of non-possession.

Must Live Simply

The students of Cail Kirshold the principles of Must Live Simply

The students of Cail Kirshold the post of sectory-business manager.

Seats are now on sale, and all who are interested in dramatics and also in the legitimate stage, may purchase their tickets from Blaskiston, and Dorothy Bingham, assistants. The make-up artists were Pat Kelley. Mildred Roof, and Florence Alexander.

At the conclusion of the Friday night performance, Dan Baker took photo-Mildred Roof and Florence Alexander.

# **Group Sponsor** Of Card Party

The Parent-Faculty Club of Sar Francisco State Teachers College is sponsoring a card party this Friday October 20, at 2 o'clock, for the bene fit of the Student Loan Fund.

The card party will be held in the Frederic Burk auditorium, and the admission will be 50 cents. Mrs. Richard Curtis has been appointed as chairman for this affair

All Invited

"All members of the Parent-Faculty Club, their friends, and the student Club, their friends, and the student body, are cordially invited to attend," said Mrs. Curtis. She continued by saying, "Receipts of the card party will go toward the Student Loan Fund. It is indeed a worthy cause, as it helps students in need of financial aid to continue their careers in college."

Student talent in the program will include a saxophone solo by Helen Jordan, and a violin solo by Jack Murphy, both are students of the college. Refreshments will be served. There is to be an individual prize offered for each table.

Fathers Feted Soon

On Wednesday evening, November l, the Parenty-Faculty Club will de-cote an evening to the honor of fathers. The program is to start at 8 o'clock and will take place in the Frederic Burk auditorium. President Alexander C. Roberts will be the guest speaker.

The program for fathers' night is to include selections by a group of woodwind instrumentalists and also by a group of brass instrument players. Members of both groups are students of State. Refreshments will be served at the close of the program.

An executive board meeting of the Parent-Faculty Club took place today in room 102 of Anderson Hall. Mrs. Frank Merrill, president of the organization, was the presiding officer

# Little Theater to

This Thursday, Friday, and Saturday the John T. Seiffert Players start their fall season by producing "Tweedles," an early success of Booth Tarkington and Harry Leon Wilson. The play is considered one of the stage's best characterizations from the standpoint of local color. It was one of the earliest hits of the stage portraying the small town character.

Dallas Blackiston, a State student, is inderstudying the parts of Philamon Tweedle and Adam Tweedle. Elizabeth Gilchrist, a former State student, also has a part in the forthcoming production.

At a recent election Blackiston was elected president of the organization, replacing John Farrell, who is one of

# Play by Sutton **Vane Selected** As Next Vehicle

College Theater Stages Tryouts for Parts in November Drama, 'Outward Bound'

You and I' Players Win Plaudits of Audience as Season Opens

The next production of College Theater will be "Outward Bound," by Sutton Vane. Tryouts for this play, which is to be produced in November,

which is to be produced in November, were held Monday and last night. The results will soon be announced. Philip Barry's three-act comedy, "You and I," the first production of college Theater for the fall semester, was presented before good-sized audiences on October 12 and 13. As the opening musical selections finished, the lights were dimmed, and the curtain parted to reveal a scene in the White's home.

Players Please Audience

The audience was introduced Veronica Duane, portrayed by Harriet Veronica Duane, portrayed by Harriet Masson, whose sweet, sympathetic nature was complemented by that of Ricky White, her lover, who forsook a career of architectural study in Paris to marry Ronnie. Ed Cockrum interpreted this part. Alice Gilogly played the part of Ricky's mother, Nancy White, and Kenneth McDonald and Dick Marsh shared the role of Maitland White, the artist, and father of Ricky.

The two lovers are reunited when Matey sells his painting to be used for a soap adver-tisement. With the \$4000 received from his portrait, he decides to send oth Ronnie and Ricky abroad.

Directive Staff Accomplished Miss Jessie D. Casebolt directed the production, assisted by Frank Ray, technical director; Dallas Blackiston and Bill Connolly acted as stage mangers: Ed Cochrum, business manager and Chester Beck and R. Elroy Barton, directors of the College Theater Or-chestra, which supplied the musical interludes between acts in addition to

# Pipe + Soap And Water= Sick Student

Paul Barrett, a youthful freshman, leaned back with a sigh of contentment, after having finished a large lunch. With a grand flourish, he drew a pipe from his pocket. He proceeded to fill and light it, and then began to smoke with evident enjoyment.

There is nothing new in seeing a male student smoking a pipe, but when it is a freshman having his first smoke, and choosing a pipe as his implement, the story takes on a colorful aspect. Not being satisfied with having chosen a pipe for his first smoke, this fellow picked a second-hand pipe for his initiation.

"But," Barrett declared, "I cleaned it with soap and water." (Most anyone knows that an old pipe is bad enough, but one that has been cleaned in that manner is plain poison.)

The freshman continued to smoke on blissfully, but from time to time he took the soap-cleaned

The freshman continued to smoke on blissfully, but from time to time he took the soap-cleansed pipe from his mouth to look at it as if possibly something was not quite right. His face was fast changing to a lighter hue. When half through his smoke, he suddenly pulled the pipe from his mouth, and announced that he didn't feel so good; he guessed it must be the intense heat. "It makes me dizzy," he said.

A few seconds later he made a non-stop, record-breaking trip to the Men's Room in Anderson Hall. Some days later a kind friend offered Barrett a smoke, but he de-

fered Barrett a smoke, but he declined graciously: "I never smoke after lunch."

#### **Epsilon Mu to Have** Coloratura Soprano As Pledge Tea Guest

fall flowers and lighted candles, will be the scene of the semi-annual Epsilon Mu pledge tea tomorrow afternoon at 4 o'clock.

Marie Vero, coloratura soprano, who has just completed an engagement at the Warfield Theater, will be the guest artist of the afternoon. She will be heard in several vocal selections. Miss Vero has made concert tours throughout Canada and the United States, and was awarded a scholarship by the Eastman School of Music in Rochester, N. Y.

ter, N. Y.

Dora Schiro will give a group of modern piano solos. The faculty guests for the affair include Miss Eileen Mc-Call, Mrs. Mary McCauley, Dr. William Knuth, Miss Ethel England, and Mr. Roy Freeburg. Miss Schiro, assisted by Elizabeth Winter and Martha Kramer, is the chairman for the tea.

#### Dinner Dance Plans Made by High Frosh

The social event of the fall semester or the high freshman class will be a linner at the Western Women's Club, Sutter and Mason Streets, on November 10. The ballroom, card rooms, and roof garden of the club have been reserved for the affair

Several committees are working on the arrangements. The class officers, headed by President James Hamrock, are working on the social committee; Marie Olivero heads the hostesses; and Richard Marsh is in charge of the entertainment.

# **Limited Edition** Orphic on Sale By Subscription

Autumn Issue Dedicated Dr. Dickson to to College of Today-Faculty, Students; Out Nov. 20th

Mr. Cassady Gives Talk on Negro Poetry at Scribes Meeting

Scribes Club members are now taking subscriptions for their literary magazine, the "Orphic." The 15-cent price will secure a much finer publication, in the belief of the editors, than that of last spring. This edition will be limited to several hundred, and subscriptions are being taken at this time in order that the approximate number of copies may be known before the magazine goes to press.

The "Orphic," which will be delivered to subscribers on November 20, will be dedicated to the College of Today—Its Faculty and Its Students. This was the announcement of Dallas Blackiston, president of the club and editor of the publication.

Manuscripts Coming

"An increasing number of manuscripts are being entered in the competition," the editor declared. "We have already received much material, although the contest has two more weeks to go."

weeks to go."

The "Orphic," a student literary finagazine sponsored by the Scribes Club, is to be published every semester. The contents are selected from material submitted by members of the student body. The publication contains short stories, essays, poems, sketches, as well as block prints.

sketches, as well as block prints.

"Students who desire to submit art designs or illustrations for the "Orphic" should see Margie Eakin, art director of the magazine," Blackiston said, "The magazine gives student artists as well as writers an opportunity to present their work to the public."

Cassady Addresses Scribes

"The most significant poetry being written in America today is Negro poetry," Mr. Edward Cassady of the English staff, stated in his talk or Negro poetry at the Scribes Club last Thursday.

"About one hundred years ago, Lord Macauley claimed that poetry declined as civilization advanced," Mr. Cassady continued. "Poetry is essentially sensuous, concrete, and emotional. As men become civilized, their thinking tends to become abstract and intellectual. "About one hundred years ago, Lord

Negroes Culturally New

"Because the Negro has but lately "Because the Negro has but lately, relatively speaking, been introduced to the influence of civilization he is still sensuous, uninhibited, and tends to think concretely and emotionally. These traits appearing in the Negro poetry being written in America today make it authentic poetry compelling recognition." Mr. Cassady illustrated his talk with selections by Paul Lawrence Dunbar and other modern Negro poets.

## Siena Club to Give Fall Dance at Century Club

At the Siena clubhouse, members recently celebrated a Hallowe'en party. This affair was under the direction of Jeanette Lagomarsino and her committee. Games were played in the spirit of the season, and refreshments were served later in the tea room.

At the party plans were formulated for the coming informal dance to be held at the Century Club on the eve-ning of November 11. This is the main annual informal dance sponsored by Siena Club. Last year's event was held at the William Taylor Hotel. With this precedent, those who are arranging for this year's dance prom-

Consideration of courses and number of sections to be offered for the spring semester was determined by a meeting of the department heads last week. In accordance with the orders from the State Board of Education to avoid small classes, Dr. P. F. Valentine, dean of Upper Division, and Dr. John H. Butler, dean of Lower Division, with the advice of Miss Vance, recorder, and co-operation of the deweek. In accordance with the orders from the State Board of Education to avoid small classes, Dr. P. F. Valentine, dean of Upper Division, and Dr. John H. Butler, dean of Lower Division, with the advice of Miss Vance, recorder, and co-operation of the department heads, are using every effort to offer courses where at least 15 or 16 students will constitute a class. President Alexander C. Roberts believes that in fields where individual instruction is necessary, it is justifiable to have a small number of students in a class.

Music for Events

Chester Beck, president of the Music Federation, makes this announcement to all committee chairmen: "Music for school entertainments, rallies, teas and other programs is supplied only through the Music Federation. Social chairmen are asked in requiring music dent of the Franciscans to Meet

"We were pleased to see so many new faces at our last meeting. We hope to have them with us again," remarked Mrs. Lucy Weeks, president of the Federation, Box of 5, and not to faculty members. In applying for entertainment, stipulate to members asking them to bring the time, place, and type of music desired. Applications should be sent in at least fifteen days before the event."

# **State Debaters Meet** Fresno Collegians on **Question of Disarming**

# Address Club **On Education**

Dr. Virgil E. Dickson, assistant superintendent of Berkeley Public schools, will be the guest speaker of the Psychology Club next Monday in the Frederic Burk auditorium. The faculty and the entire student body are invited to attend. "Subnormal and Delinquency Problems in Public Schools" will be the topic of Dr. Dickson's lecture. schools' win son's lecture. From Missouri

The speaker was born in Missouri, receiving his Bachelor of Arts degree at Washington College in that state. After completing his work there, he came to California and attended Stanford University, where he received his Master's and Ph.D. degrees.

For four years Dr. Dickson officiated as president of the California Research nd Guidance Association. Previous to his appointment as Assistant Super-intendent of Berkeley schools and di-rector of the Bureau of Research and Guidance, he held the position of vice-president of the Educational Research Association

Recent Speaker

Many students of State will remem-ber Dr. Dickson as one of the speak-ers at the convention of the Northern Council of Education for the Gifted Child, in April of this year. At this time he reported on his five-year in-vestigation of 1043 children of various talents. He emphasized that educators should stop thinking of the gifted child solely on the basis of his intelligence

Added to Dr. Dickson's prestige, it is to be noted that he is an intimate associate of the world-known psychol-ogist, Felix Alder, of Austria.

ogist, Felix Alder, of Austria.

Armond Leport, president of the Psychology Club, requests that all those desiring to attend the lecture be in the auditorium promptly at 4 o'clock. "Dr. Dickson is scheduled to speak over the NBC broadcast at 5 p. m., and it is imperative that he leave the auditorium at 4:40," explained President Leport.

#### Advisory Council to Picnic on Thursday

Pins for the Advisory Council! With Mabel Roberts as chairman, the pin committee chose a beveled gold pin bearing S. A. C. The pins will cost fifty cents. The members will pay fifty cents. The members will pay forty cents and the Council will pay ten cents—both sharing the expense. Those who signed up at the meeting when pins were first discussed received their pins last Thursday. The other members will receive pledge cards in their mail boxes. All who wish pins should be prompt in signing and returning these cards.

Signund Stern Park will be the

heir mail boxes. All wno heir mail boxes. All wno heir mail boxes. All wno hould be prompt in signing and returning these cards.

Sigmund Stern Park will be the scene of the Advisory Council picnic tomorrow evening. October 20. This will be the first Council activity this semester, hence a large attendance is expected. Mabel Roberts, George Eisenhart, and Max Vineys have made plans for the outing. There will be a poster on the Council bulletin. Members may bring friends if they wish; those who plan to do so should give the number- in their party.

Because Miss Jessie Casebolt, factory in the party of the colder method, has found considerable favor with local audiences, judging from the enthusiasm shown at the debate last semester between a mixed faculty and student team on the subject of co-education," declared Mr. King.

Lynn Johnson, vice-president of the Sigma, presided at the meeting.

cerning the registration of new stu-dents in the spring term. Miss Case-bolt will speak at the Council's next meeting on "Speech as a Factor of Leadership."

Staters Defeat Fresnans, According to Spartan Coach; 1932 Champs Welcome Gaters

Extempore Speech Tilt, Tryouts for Freshman Debate Tomorrow

Meeting Fresno State, champions of the far West, in a torrid battle of words, the local debating team took its first trip of the season to the Raisin City to contest the question, "Should the United States Build Its Armaments to Treaty Limits?" Two teams participated in the controversy, the negative, composed of Robert Van Houte and Jack Werchick, matching wits with Fresno's affirmative in the afternoon, while the State affirmative team, Arthur Hull and Elsa Magnus, met the Fresno negative in the evening.

"The fact that the Fresno State

"The fact that the Fresno State team won the forensic tournament at College of the Pacific last season, spurred the representatives of Delta Sigma to surpass themselves," declared Kenneth King, debate coach, who accompanied the team.

Beat Title-Holders In spite of a flat-tire that delayed State's debaters, they won their spurs over the champions of last year, stated Kenneth M. King, debate coach. Elsa Magnus, the team manager, asserts they were shown "real Southern hospitality" during their stay with the Fresno group.

Before the departure of the team for Fresno, the debating club, at its regular Thursday meeting, determined to sponsor an extemporaneous speak-ing contest. This will be held tomor-row evening in room 109, at 7:30.

Prizes to Speakers

The topic will be selected from last week's issue of "Time," and announced at the opening of the meeting. The members will be given five minutes to prepare a talk. Prizes will be offered for the three best speeches

prepare a talk. Prizes will be offered for the three best speeches.

Tryouts for freshman debates against Santa Rosa Junior College and University of San Francisco, to be held at 11 o'clock tomorrow morning in room 201, were announced by the debating coach. The question will be, "Resolved, That the United States Should Arm to Treaty Limits." The tryout will consist of a three-minute speech on one phase of the question, either affirmative or negative, and all freshmen interested in the polemical art are eligible to compete for places on the team.

At the same time tryouts for a

At the same time tryouts for a sophomore team to meet representa-tives from the University of Santa Clara on the same question were an-nounced, and all sophomores interested

Lynn Johnson, vice-president of Delta Sigma, presided at the meeting, and before adjourning, expressed the sympathy of the club in the illness of Alice Heim, one of the founders of the debating organization.

Seniors to Give Tea

main annual informal dance sponsored by Siena Club. Last year's event was held at the William Taylor Hotel. With this precedent, those who are arranging for this year's dance promise to make it exceed any ever given by the club.

"Peg" Guide is making arrangements for a swimming party to be held in the Terrace plunge of the Fairmont Hotel this evening. Members are signing up on the poster in College Hall.

## Club Dinner to Be Held Friday By K-P Group

Members Plan a Puppet Show to Be Presented in F. B. Aud. Soon

Final plans were made at the meeting Thursday, for the Kindergarten Club dinner at 6 o'clock this Friday evening, at the home of Betty Ebright, 3233 Jackson street. Miss Ebright will be hostess at the gathering.

be hostess at the gathering.

The hostess will be assisted by the following committee: Kathleen Mc-Nally, Jessie Alsing, and Eirian Williams. Helen Pauli, Frances Nissen, and Alice Marsten will have charge of the entertainment. All those who plan to attend are urged to sign the poster to attend are urged to sign the poster which will be placed in College Hall on Monday.

Plan Puppet Shows

Special invitations have been sent to Miss Alice Allcutt and Mrs. Dorothy Henry, assistant professors of education, and Miss Lynette Maas, associate professor of education.

Tentative plans for the puppet show, "Little Black Sambo," were made on Thursday. It is planned to have the show the latter part of November in the Frederic Burk auditorium. There will be a small general admission. Lois Shaw has charge of the puppet show.

Candy Sale Today

The second and fourth Tuesdays of every month at 12 o'clock, have been set aside for the regular club meetings, in place of the third Thursday, as has been the custom. Every K. P. major is extended an invitation to bring her lunch on those days. Tea is served at the meetings.

For the candy sale being held in the halls today, the following were in charge: Marian Hopkins and Jessie Alsing, poster committee, and Frances Pockman, secretary of the club, purchase of wax bags. At a special noon meeting yesterday, last minute details were attended to by the committees.

#### **Concert of College** Orchestra Sponsored By Music Federation

Plans are being formulated by the Music Federation to co-operate with the Music Department in sponsoring a concert by the college orchestra.

a concert by the college orchestra.

The college orchestra has been rehearsing a rather extensive program this semester under the direction of Dr. William Knuth. Among the selections planned for the concert are: "Overture Prometheus," by Beethoven, and "L'Arlesienne Suite," by Bizet. The soloist of the program will be Mr. Raymond White, piano instructor at State, who will play the second "Concerto," by Saint-Saens, for orchestra and piano.

A number of students in the Music A number of students in the Music

Department are receiving opportunities to perform before audiences outside the college, Armond Leport and Hope Huff gave a musical recital at Mountain View Union High School Wednesday, October 4.

Among the pieces played were: "Malaguena," by Serasate; "Perpetual Motion," by Reis; "Violin Maker of Cremona," by Hubay; "Schon Rosmarin," by Kreisler; "Dreams of Youth," by Winternitz; "Sonata No. 4" by Myratt and "Cremon First". 4," by Mozart, and "Gypsy Fiddles Are Playing."

The program was selected to show the development of music in relation to American jazz.

# Studied by Pupils

Old S. F. Mission

One hundred children from the Frederic Burk school, with their student teachers, Mrs. Evangeline Spozio, supervisor in the Frederic Burk school, and Mr. S. L. Brown, principal of the Frederic Burk school, went to the Mission Dolores last week to study the historical value of the mission.

The children visited the chapel and the cemetery. They were interested in the burial place of Don Luis Arguello. the burial place of Don Luis Arguello, the first governor of San Francisco, according to Mr. Brown. The inscrip-tions on the tombstones in the Old Mission Dolores cemetery were also studied.

Visit Grotto

Mr. Brown spoke to the group on life in the early mission and rang the bells for them. The class studied the Grotto of Lourdes, which was dedicated to the forgotten dead. The old Grotto of Lourdes, which was dedicated to the forgotten dead. The old edwood cross likewise drew attention "Dean Du Four has very graciously

ome to the Frederic Burk school and given two very inspirational talks, as only Dean Du Four can give, on this subject of California history," Mrs. Spozio said.

Work Toward Project

"Especially," the instructor con-tinued, "have the children enjoyed his telling of his personal interviews with the descendants of those brave and vigorous pioneers."

"We hope to reproduce at the close of the term," Mrs. Spozio explained, "some of the important, fascinating, and colorful episodes centered around different nationalities who came in the early pioneer days bringing their cultures to California."

## '33 Graduates · **Hold Positions** In Bay Region

Occupations of several San Fran-cisco State Teachers College alumni were fmade known today by Miss Alice Allcutt, supervisor of the Kin-dergarten-Primary Department. She reports that Marjorie Welish, who graduated last semester, is now teach-ing in the Van Horne School in Hay-ward

Mary Genevieve Scott, who graduated during the summer session, is teaching in Albany. Mary Louise Bendinger is teaching in an Emeryville kindergarten.

Dorothy Lawrence and Virginia Wise, who transferred from the Uni-versity of California and received, re-spectively, their elementary and Kindergarten-Primary credentials from San Francisco State Teachers College, are working in the sport department of Roos Brothers.

of Roos Brothers.

Florence Stark and Vivian Brewer, two former State Kindergarten-Primary majors, are at present teaching in two of San Francisco's day nursery schools, according to Miss Alice Allcutt, assistant professor of education. Miss Stark, a graduate of May, 1932, is at the Child Garden School on 19th Avenue. Miss Brewer, a graduate of May, 1933, is at The Infant Shelter, also on 19th Avenue.

## Play Production Class to Give Play on Chinese Plan

Preparing for their second production of the semester, the English 126B class in play production is planning to present the Turtle Dove, a play in the Chinese manner. Mr. Su, a member of the class, is in charge of costumes, and has promised authentic replicas of the native costumes wherever possible. Before coming to the United States, Mr. Su was active in the Chinese Theater, being quite a well known actor. The cast for the Turtle Dove includes the following: Chorus, Virginia Kolias; Chang-Sut-Yen, Thelma Botha; The Mandarin, Ruth Shafer; Kwen-Lin, Dorothy Abernethy; and Property Man, Henry Su. On the same program with this play, the class is planning to present Booth Tarkington's popular comedy, The Travelers, The cast will consist of: Miss Roberts, Alice Gillogly; Mrs. Roberts, Alice Park; Jesse, Hilga Hammer; Mrs. Sliddell, Marie Stanton; Fred Sliddell, Marie

## **Art Minors Register**

The attention of art students is called to this announcement by Mrs. Marion C. Cooch, head of the department: Art 40 and Art 10 are the required sophomore courses for art minors. Those who have been accepted tentatively as minors, and are now taking, or have already taken either Art 10 or Art 40, should see the department representative before registering for any other minor course. "If their work is satisfactory to date," Mrs. Cooch states, "students will be accepted as art minors."

## Committee Will McCall Organizes **Improve Spring** Of Training School Pre-registration

Student Service Work Is Valuable Training for Teachers

In order that pre-registration and egistration may be more efficient than the past, members of the office staff are discussing means of its improve-ment. A student committee, consist-ing of the chairman of the advisory council and former members of preregistration and registration commitregistration and registration committees, are conferring with them and
making suggestions based on past experience in the organization work. The
personnel of the registration committee will be published next week.

Positions Open

All interested in training in organization and administration problems,
and who are willing to contribute a
certain amount of time in the service
of the student body, may contact some

of the student body, may contact some member of the office staff, in order to apply for membership in this group.

The practical experience and insight into administrative methods derived from work or the contact of the contact of

from work on these committees is of great value to future teachers, and is not obtainable in classrooms. The spring program will come off he press the second week in Novem-

the press the second week in November. Prior to this, certain preparatory steps toward pre-registration should have been completed, points out Miss Clara Crumpton, registrar.

File Applications

High freshmen should have taken the pre-professional tests and filed applications to minor fields. High sophomores should have made applications for admission into professional training, and should have completed interviews with the registrar.

iews with the registrar.

Kindergarten-Primary students are equested to have completed piano ests by this time. All applications for ests by this time. All applications for oractice teaching assignments must have been completed. Any students wishing to change departments or major or minor fields should have atended to this transfer.

## Golden Gater Announces Ad Contest—Prizes

Leather jackets are all the rage ust now. YOU may have one for ust a little effort. The advertising department of the Golden Gater is sponsoring a contest to stimulate interest in the advertising columns.

interest in the advertising columns. Three prizes, for the three highest numbers of column inches of advertising secured during the months of October and November, are on display in the co-op store. The first prize is a fine grade pigskin jacket made to order to suit the winner, either man or woman. Because of the value of the prizes, at least 54 inches are required to qualify. This is the equivalent of one contract for three inches running eighteen issues.

Lists of prospective advertisers.

Lists of prospective advertisers, information, contracts and leads may be obtained by communicating with Box 1475, Get your friends working for you. Help yourself and your paper. Someone will be the winner—IT MAY BE YOU.

# Training Offered in

WE don't want charity, Make our Advertisers Realize we are ALIVE.. Patronize Them!

# Choral Group for **Future Madrigals**

The State Madrigals, under the direction of Miss Eileen McCall, music instructor, are now preparing for another semester of successful activity, according to Aldo Aronson, publicity manager. The vacancies in personnel created at the close of last semester have been fiilled by Margaret Nwea, soprano; Anita Hilken, alto; and Thomas Ingraham, bass.

Many students have been timid in

Thomas Ingraham, bass.

Many students have been timid in trying out for positions, realizing that members must have an extensive musicall training to be awarded a position in the group. A second group has therefore been organized to prepare future members of the Madrigals. Those interested should see Miss McCall as soon as possible.

Among their programs presented last semester was one at the Little Theater on the Stanford campus, sponsored by the English Club. Many complimentary comments on this program, including those of The Daily Pala Alto Times and the Stanford

Palo Alto Times and the Stanford Daily, were received by Miss McCall The program given in San Francisco also received comment from music

This Friday is the date set for dinner intended to welcome new mem-bers into the club. Chester Beck and Mary Richmond are in charge of en-tertainment for the evening.

## Study Resumed After Fifteen Years' Teaching

Mrs. Derothy Ash Geary has returned to San Francisco State Teachers' College to resume her training after an absence of fifteen years.

Her affiliations with this college began when she attended the training school of the San Francisco Normal as a girl, in 1906.

Poor Equipment The housing equipment of the training school, according to Mrs. Geary, consisted of crude shacks thrown together after the earthquake. Education gether after the earthquake. Education was of a very informal type at this time. The children sat at long tables, instead of at desks. Under the shacks they constructed playhouses which they decorated with old lace curtains and gunny sacks.

Having finished her schooling in the training school, Mrs. Geary entered the Normal department, from which she graduated with her elementary certificate in 1918.

icate in 1918.

Teaches in Hawaii

After her graduation she taught in Hawaii for a year on a leave of absence from teaching in the San Francisco schools. In Hawaii, Mrs. Geary taught the first grade, consisting of 250 children who could not understand Fnglish

taught the first grade, consisting of 250 children who could not understand English.

The course of study in the islands at that time included a great deal of arithmetic and spelling. The conditions were complicated by the total lack of blackboards and but a meager supply of other materials.

Returns to San Francisco

Returns to San Francisco

After these experiences Mrs. Geary jound it a great relief to return to San Francisco, to teach in the Andrew Jackson School. Jackson School.

Home responsibilities ended her active teaching in 1925, but now, she says, the cycle is starting over. After enrolling her two children in the Frederic Burk training school. Mrs Geary is coming back to work for her degree. She remarks "It is great fun to be back in the swing again."

## Eighth Graders Form Club to Aid in Reading

Young Book Reviewers Aid in Developing Literary Tastes

Taking the timely letters, NRA, and heir motto, "We do our part," as a heme, the low eighth grade of the Frederic Burk have organized them-selves into the "Nineteen Reading Aids."

The purpose of this organization i to introduce to the other Frederic Burk students books of importance written on material that has not yet been discovered by the majority students.

#### Material Available

"In this year of reduced library ands," mentioned Miss Hermine Henze, Frederic Burk librarian and or-ganizer of the club, "there must be more intensive use made of the ma-terials that are already in the library." By means of a bulletin issued irregnlarly, containing annotations on read-ng and book reviews, the club mem-ners give out their information. The irst issue of this bulletin has been pubished. It contained book reviews by Aveline Brown, Ted Marause, Jose-phine Walker, Glen Deal, Avis Lof-gren, Helen Stillwell, and Juen Rains-

#### Books Reviewed

Included in the book reviews were "Black on White" by Marshak: "A Day in a Colonial Home" by Prescott, and "The Enchanted Past" by Hodgen.

To make this reading activity more

nteresting, Miss Henze suggested that he students consider themselves as hor has sent a book. With this idea n mind, they can criticize the books nd stress unusual things found i

## A State Romeo Loves Skeleton For Practice

"Marry me!" shouted Roberto Valdaz, one of State's romantic set. Holding the lithe, lifeless hand of

one deeply enwrapped in thought, Valdaz began his speech:
"Humerus, Ulna, Radius, Occipital, Meta-tarsus, I love you!"
No reply.
"Tibia, Fibula, Femur, my dear, listen to my olea!"

"Tibia, Fibula, Femur, my dear, listen to my plea!"
Still no reply.
Then, with a dejected look, he turned and said, "Have you no heart? Have you no feelings?
Where is your sense of touch? Ah, woe is me."

wee is me."

The gallant "Romeo" labored hard. His efforts seemed to be in vain, but true to his teachings, he plodded on. He was nervous; she wasn't. He began to tear his hair lightly, but she calmly showed her teeth.

With determination, he swung into action "The time to do into

into action. "Tis time to do it! Hell is murky!" he cried, quoting from Shakespeare, "I'll sock you on the mandible!" With these words, fearing a bat

tle might ensue, an energetic re-porter sprang on the spot to stop Valdaz, only to find him caressing the skeleton in A-110.

CHICO VS. STATE AT EWING FIELD

PLAN TO ATTEND LAST SEASON GAME

By HAROLD MARTIN

Harold Martin, Sports Publicity Manager, San Francisco State.

You are probably correct in your statement that Chico State will be favored to trounce the Gaters. Here's

statement that Cinco State will be favored to trounce the Gaters. Here's a little dope on the boys here:

Notwithstanding injuries the team here has a whale of a good chance of capturing the conference. Tomorrow they open their conference season against the California Aggies and will drop you a line later on the "after game" effects.

Chesley Rushton, frosh, is the big shot on the local lineup. He is one of the fastest men ever to don a grid suit and has been known to run the 100-yard dash in 10 flat in his togs. His punting is the pride of Coach Arthur Acker. The boy's kicks, not over-estimating, will average nearly 50 yards. He weighs nearly 200 pounds and plays safety on defense. Any writeup he may get will be deserved. The Wildcat line is great this year. They have seven men, unsurpassed by

The Wildcat line is great this year. They have seven men, unsurpassed by any team in the Far Western Conference. The Sacramento Junior College, a week ago, were unable to make a first down through the Chico forward wall. Glenn More, center; Leslie Kriegh and Alvin Semrau, guards; Glenn Smith and Robert Asher, tackles; Ed Jorgenson and Dick Corline and is the present setup.

Carl Delgrado, Indian and Jacobin, ends, is the present setup.

Carl Delgrado, Indian and another freshman, is a smashing 195-pound fullback, who has shown plenty of promise. Delgrado is on the injured list at present, but will be in shape for

bromise. Deigraud list at present, but will be in shape 101 the Gater contest.
Clayton Roy, quarterback, has quite a reputation in this territory. He is a blocking backfield man of note.
And don't think I am over-estimating the Wildcats, I'm not, because I am not particularly a Wildcat rooter. Chico just has a real team this year.
Sincerely yours,
(Signed) Mervyn Hensley.
Chico Record,
Chico, Calif.

Since this letter was written Chico was defeated by the California Aggies 13 to 0, thereby eliminating them as serious contenders for the Far Western Conference title. Coach Dan Farmer scouted the Wildcats and brought back some valuable information. He says that Rushton is a wonderful punter and should be a serious threat against the Gaters.

# Inter-class **Basketball Under Way**

Eleven Teams Entered-"Bone Crushers" **Prove Strong** 

Because of the failure of the "rear rank" team of the P. E. 80a class to appear, the "Bone Crushers" won the first game of the inter-class basketball tournament by default last Monday The "Left Handers" were the winners of the second contest, taking the "Waterdogs" 17 to 9.

Many Teams Entered

Eleven teams have entered the tour ament so far, which is to be a Round Robin affair, wherein every team has a chance to play every other team The ball clubs have been divided into two groups, and by an elimination process a team wins in each group The championship is decided when the winning teams of each group clash in the last game. Varsity men have been excluded from competition, but they are being used as referees. The mem bers of the winning quintet are to be presented with sweat shirts, for which every man in the tournament paid

Judging by the number of teams in the tournament and the rivalries that have already sprung up, the games promise to be both interesting and exciting. The "Bone Crushers" are a heavy team, and are expected to live up to their name. "Powles' Ramblers" are composed mainly of the members of the team that was prominent in the baseball tournament. The "Left Handers" have a fast team and are expected to make a good showing. "Hardin's Bloodhounds" and the "Alley Oops" both have their eyes on the champion-ship, and are out to do their best to win the tournament.

Practice Starts Soon

There are to be two games today in the gym. The first game, which will be between the "Squnks" and the team from the P. E. 80a class, will start at 12:15. Following this, the P. E. 80a class team will play the "Babies."

Coach Dan Farmer plans to start Coach Dan Farmer plans to start varsity basketball practice on November 1. The first game on the schedule as it has been arranged so far, is to be played with Golden Gate Junior College on November 17. Although the schedule is not as yet complete, the other teams to be played are Armstrong Business College, St. Mary's, Williams J. C., San Jose State, Chico State, Humboldt State, and the College of the Pacific.

# **State Team Meets Chico** In Last Tilt

Wildcats Have a Strong Line—Gater Lineup Weak in Spots

Determined to score or win in their last tussle of the season, the Gater varsity tangles with the Chico Wildcats at Ewing Field Saturday at 2:30. It is going to be a tough assignment for the local boys. The red and white Wildcats are one of the most powerful teams in the Far Western Conference. Statistics show that the Wildcats outplayed Sacramento J. C., and the Jaysee team smothered the and the Jaysee team smothered the San Jose Spartans.

Chico Uses Warner System Since the Panther clash, Coach Acker, thico mentor, has polished his offen-ive attack. Coach Acker uses the Warsive attack. Coach Acker uses the Warmer system with a double-wing back
formation, in which the guards run
interference. This type of play consists of numerous reverses, spinners,
and double reverses, which require
perfect execution and faultless timing.
The backs must be deft-handed, powerful, and nimble-footed, and the Chico
backs fill the requirements.

backs fill the requirements.

The brunt of the Chico attack is evenly divided between the four backs who, in offensive play, are all halves. The starting backs will be Delgrado at full, Aushton or Kriegle at quarter, and Roy and Andante at halves. Delgrado is a whirlwind, triple-threat full. Powerful, offensively and defensively. rowerful, offensively and detensively. Rushton is a tricky quick kicker. Kriegle, who may get the call over him, is an effective blocker. Roy and Andante, halves, are equally as effective running interference as packing

Wildcats Have Powerful Line
The Wildcat forward line is sturdy
and should have no trouble pushing
the lighter Gater line at will. Smith
and Tyler, starting ends, are a pair
of the most outstanding flankmen of
the north. Schmidt, giant letterman,
and Asher, two-year veteran, fill the
tackle berths. Shepard and Smearu,
guards, are light and powerful. On
offensive play they pull out of the line
and run interference for the ball carrier. More at center is an experienced
two-year veteran and candidate for far
western honors.
Ralph Nathan, fleet Gater half, may
be out of the game Saturday, lessen-

Ralph Nathan, fleet Gater half, may be out of the game Saturday, lessening the Gaters' chances for victory to a great extent. Nathan, in the Santa Rosa encounter, broke his hand and it is doubtful if he will start. He has been carrying the brunt of the Gater air attack in addition to being an elusive ball carrier. George Bogondoff, who has returned to practice, is likely to start in Nathan's position. The Staters may find their air attack useless because the Chico aerial defense has proven to be impenetrable.

Gater Line Weakened

Gater Line Weakened

On the Gater line, Al Furst, varsity guard, and Walter Drysdale, mounainous tackle, are doubtful starters, secause of injuries sustained in the Santa Rosa go. The huge hole left by he absense of the veteran gridders will be a large one for Coach Cox to till

The Gaters have been pointing for Chico to settle last year's 26 to 0 trouncing they received while guests of the Chico teachers.

Accordingly, he wrote a letter to Joie Ray, a marathon run-ner on the 1928 Olympic team, asking for advice on training. The reply,

Five years ago, Dick Davis, State's Many Novel Ideas Are

Davis did not expect an immediate answer. Indeed, the possibility of any reply was most uncertain. One week later, however, he was gratified to receive a letter from Mr. Ray in which that famous athlete gave the information and advice which Davis had requested. This is the letter: dated June 29, 1928, follows:

"Dear Mr. Davis:

Before leaving for the Olympics in Amsterdam, where I expect to win the Marathon, I want to an-swer your recent letter.

From your description of training, I think the trouble with you is that you don't train right and that you do not pursue the proper diet so necessary for a runner. Try the following program: Go to bed very early, get up at 5 in the morning, drink about 15 glasses of cold water, then run for about 5 miles to loosen drink about 15 glasses of cold water, then run for about 5 miles to loosen up. After that, skip for about a mile, alternating your feet to strengthen your calves. Then run another 5 miles. If you get home, take an icecold shower, but don't drink. Rest a while, then eat six fresh eggs raw with the shell in order to get more lime in your system. This will build you up. Treat your feet with salt water to harden them and dance a lot whenever you can.

lot whenever you can. "Cut out all sweets, but eat a lot of onions, garlic, tomatoes, celery, spinach, and cucumbers. They all contain what you need for your body, but keep a bottle of Listerine handy. "If you follow this advice, I am sure you will improve rapidly and will soon be in the front ranks.

"Sincerely, (Signed) "JOIE."

Thanks to this imposing array of Inanks to this imposing array of startling and ingenious information— or, perhaps, in spite of it—Davis placed second in the 10,000 meter race of the 1928 Olympic tryouts on the Pacific Coast. Unfortunately, his time did not warrant his transportation to the American Olympic finals, held in the

#### **Bull Session Show** Presented on Nov. 3

"Judging from the variety of new ideas, clever skits, hilarious music, and humorous impersonations, the Block" Bull Session gives promise of being the outstanding evening of entertainment for men on the State campus this term," states Rudolph Rudd, the chairman of the Bull Session committee.

With Harmon Jette as master of ceremonies, a veritable "who's who" of State talent will appear, and by combining the talents of Dick Marsh of "You and I" fame, Allan (Groucho) Howard, and Louis Ray, a new phase in the field of entertainment will be introduced.

n the field of efficient introduced.

Frederic Burk auditorium has been secured for Friday evening, November 3. The performance is scheduled ck and will continue unti 11. The committee in charge is composed of the following members of the Block "S" Society: Dick Curtis, Jack Sullivan. Walter Drysdale, and Paul Gschwend.

# Santa Rosa Unleashes **Final Scoring Threat** To Defeat Staters 6-2

Blocked Punt by "Harpo" Furst in Early Part of Second Quarter Gives State Half-Time Lead of 2 to 0

Outplayed for three full quarters, the Santa Rosa Bear Cubs staged a desperate rally in the last period of Saturday's game to win from the Gaters by a score of 6 to 2 at Ewing Field. The scoring play, which spelled defeat for the Staters, was executed in the last two minutes of play, after the Bear Cubs had continuously threatened the Gater god ne for an entire fourth period.

An intended punt by Donnell, State5s star punter, was fumbled and ecovered by "Bud" Grider, Santa Rosa end, on State's 19-yard line. The

osa end, on State's 19-yard line. The Bear Cubs, determined to score, plowed for a first down to State's 8-yard line, and the Gaters' hopes were weakened when Donnell and Drysdale were forced to leave the game with slight injuries. On the fourth down, Santa Rosa climaxed its drive by a score, with Nick Sandoff carrying the pigskin over from the Gater 2-yard line. State Scores Safety

Entering the fray as the underdog, the fighting Staters played not only inspired football, but displayed a high class of team work which has been sorely lacking all season. Early in the second quarter, "Chub" Groom, Santa Rosa quarterback, intercepted Jones' pass on his own goal line and returned the pigskin three yards. Thus placed in a tight spot, Don Garloff, 200-pound fullback, was forced to drop back in the shadow of his own goal posts to punt. It was at this point that "Harpo" Furst, State's fighting demon, came into the limelight. Breaking through the Bear Cub line, with all the determination of going places, he blocked the kick which rolled over the end zone and which automatically gave the Gaters two digits. gave the Gaters two digits. Gaters' Thrust Stopped

An intercepted pass, late in the first quarter, by Simon, Gater end, after a return of 24 yards, placed State in a position to score from the Santa Rosa Il-yard marker. A series of line bucks and spinners found the Gaters barking at the Santa Rosa goal line, only to be stopped on the 2-yard line, with Garloff punting out of danger. Another State drive of 58 yards was stopped by the gun sounding half time. Both teams played heads-up foot-Both teams played heads-up foot-ball and the game was packed with thrills, featuring flashes, gallops, and long passes. The Bear Cubs outgained the Gaters 225 yards to 190, while the latter garnered nine first downs to the Santa Rosan's eight. Last Game of Season

this college attended; also Russelle Gettemy, former W. A. A. president.

Tennis Tournament
Alice Freitas, manager of tennis, announces that mixed doubles will be started in a few weeks. The second round of singles will end this Friday. All those interested in the doubles are invited to participate.

Lorraine Lindberg, manager of voley ball will be held a noon Fridays in he women's sym. Everyone is invited to come out for this sport, and skill is not essential. Although blisters are still numerous among the women out for crew, most of the oarswomen are getting quite adept at handling the oars. Virginia Conlan alternates with Manager Helen Jones as coxswain, and both of them do a thorough job of tiring the rowers.

Sunday Hike Planned
Marion Hitchcock, hiking manager, announces a hike to Mt. Tamalpais Sunday. The hikers will leave the Ferry building at 915 on the Northwestern Pacific. The trip will cost 48 cents round trip, and the girls are asked to bring their lunches.

The date for the overnight hike has been set for November 4 and 5. This trip is to be to Manor, near Fairfax.

Last Cambe Of Season

Max Vineys, genial master of pep, has completed plans for the last in-normal football rally of the season, to be held in the college gym, Friday, at noon.

Coaches Cox, Hardin, and Farmer will give short talks on the Chicostate encounter. The remainder of the time will be devoted to entertrainment presented by several outstanding stars of the campus.

Lynn Johnson and Ray Allee, star athletes, will give an exhibition of their theretical talents. Johnson and Allee, star athletes, will give an exhibition of laughs. Wesley Johnson, Charleston king, will favor the gathering with several soft-shoe dances and red-hot songs rendered in his own inimitable starking the office of the campus of the campus of the campus of the offensive. A pass from Jones to Simon was good for 40 yards, and the longest gain of the day; a second half found the Gaters once more taking the offensive. A pass from Jones to Simon was good for 40 ya back, knocked down the pass which was on its way to the waiting arms

Garloff Outstanding

Don Garloff, 205-pound triple threat fullback of Santa Rosa, proved to be everything that was said of him. Combining his weight as well as his speed, he ripped off gains which would make any coach proud of him. Leading the brunt of Santa Rosa's attack through out the game he carried the ball 26 times for a total of 151 yards for an average of 5¾ yards per play.

The Bear Cubs threatened the Gater

The Bear Cubs threatened the Gater goal line only once in the first half, when Garloff squirmed his way for 44 yards in three plays, down to the State 21-yard line. This goalward march, however, was stopped when Sandoff fumbled and Nolan, Gater end, recovered for State. Except for this one march by Santa Rosa, the Gaters had complete control of the situation throughout the first half, but only lacked the sufficient punch which scores touchdowns.

Gaters Lack Scoring Punch

A weakness which has confronted the Purple and Gold all season is the power to score at the right time. Twice were they in a position to score, only to be turned back by the rushing Bear Cub wall. All season the Gaters have gained steadily in mid-field, but on looking into the rule-book it will be seen that touchdowns are made in the end zones and not in midfield.

# Edified Ditch Diggers

A starving, unemployed craftsman is not to be censured if he refuses a proffered ditch-digging job. Dignity is difficult to maintain under straitened circumstances; but it is not mere surface dignity-it is the clinging to an honorably and hard-won standard—that of skilled craftsman. In remaining within his labor division, this man is making the securing of a job less difficult for the many unskilled laborers who cannot rise above their class, but must "dig ditches" or do nothing.

In past years, a young woman desirous, but not obliged, to work during a summer vacation from school, was likely to decline a position in a ten-cent store. A young man, if he did not get a position in his father's or a friend's office, might spend his summers at golf or tennis. He might have had the sporting incentive of building himself up to "make a team," and taken a job for an ice company. In those years, attitude toward students working their way through college was different than today. Even the youth most comfortably situated has, this year, a better appreciation than he formerly had, concerning the value of money.

Sufficiently valuing higher training to sacrifice time and energy for it, many youths undertake labor for which they have no aptitude. Future chemists are housemaids; future physical education directors are theater ushers; prospective college instructors are ten-cent store salesgirls.

These students occupy the unskilled standard for the purpose of paving their way into the high, skilled standards. Upon graduation, only a few immediately secure a position that insures permanent tenure of the sought-for standard. Some find other places within the ranks of the society whose level they have now attained. The remainder are forced to fall back, at least temporarily, into the lower classes of the untrained and unskilled. Although society is already swamped with a larger bulk of the unskilled than of any other sort, conditions are such that this number must be swelled by those who can fill higher positions

If one million unskilled youths are on hand to fill a certain sort of job, but are not qualified to fill one paying more, but requiring training and intelligence, then it is not right that 100,000 educated youths should further flood the unskilled labor market. If society goes to the expense of training youth for higher positions, it should provide the means of utilizing their enthusiasm, initiative, and freshly cultivated intelligence. Those who are young and trained possess these qualities, and society of today admits itself in desperate need of them. How to provide a common meeting ground for the one eager to give, and the other eager to receive, is a vital problem.

# Dyspeptic Exaggeration

Every semester, about this time, a few super-irritable students forward to the Golden Gater ludicrously exaggerated complaints about very minor things. We like to publish every "Lifting the Lid" article we receive, because that department of the paper is devoted to student opinion, but we must insist that our contributors use discretion, tell the true story accurately and grammatically.

The Golden Gater is mailed far and wide, and enters many homes. Suppose some very conservative parent read that ridiculous article, Mob Rule at State, that was sent to the paper and, in good faith, published parent might think several dozen chairs, windows, and skulls were broken daily in our classrooms; and that parent would feel sure that State was no place for his children.

Probably a little buzz of conversation in a classroom annoyed our dyspeptic contributor, so he wrote a supremely inaccurate protest to satisfy his irritability. We are sorry we did not investigate his protest before we published it, but now that it has appeared we refer to it as an example of what never to do.

Exaggeration mutilates the true worth of an argument, and there is always the chance that somebody will believe the exaggerater. Contributors, please omit those terrible, all condemning generalizations and come to the point briefly and accurately! Don't burst forth with such banalities as, "All standards of propriety have been excluded from classes, and health, property, and life are no longer safe."

Would the author of Mob Rule at State, who is responsible for the above quote, like to have some one exaggerate his shortcomings as much as he has exaggerated the discomfort created by a noisy classroom? We have our doubts.

# Classroom Showmanship

Perhaps you've noticed that in some classes the instructor will make a statement, to follow it with, "I'd lose my job if this went any further." A remark of this sort is followed by a good-natured laugh on the part of the professor and, usually, by some hurried note-taking by the class.

Is such action a good-natured protest against our educational system? Most of the time accompanying gestures would indicate just this.

Another reason for a remark of this sort could be the sincere wish of the instructor to include prohibited material in the course. The smile passes off the sincerity. Obviously, however, such statements are merely

Whatever the reason, it is some sort of an indictment, mild or otherwise, and the professor uttering it is indirectly admitting his yoke.

# Advisory Council Picnic . . .

## IFTING THE

#### THE GOLDEN GATER CHALLENGES

Because of the quantity of suggestions, condemna-ions, etc., received by the Golden Gater staff from several faculty members, we, of the staff, offer a

Suppose those faculty members edit one edition of the paper? Then they could try to engineer their idealistic schemes; they could put out a perfect paper, that, no doubt, would be a reference and a guide to all future journalists; they could find a way to keep errors out of last minute, super rush work; they could find a solution to post-last-correction printer's errors; they could plan a make-up dummy for every page that would expirable first? page that would equitably distribute importance to subject matter and still not make some group indignant; they could achieve all sorts of journalistic . no doubt.

The staff will merely stand by to prevent over-set of material or miscount of heads, just to keep the printer's bill down. We are serious. We want to have a chance to row the boat from the shore; we want to try our hands at locating hair-splitting differences of what should be and what is done

-The Golden Gater Staff.

#### COMPLIMENTARY STUDENT

Dear Lid-Lifter:

If one looks hard enough, he will probably find plenty to complain about in this college. Then again, although these complaints may be justified, there are just about as many good features in the college also, if one would ook just as hard for them.

This article, then, is written mainly to compliment the This article, then, is written mainly to compliment the institution as it should be complimented by the students attending. After all, we entered the college on our own accord, and if we have been disappointed, we should bear up and realize that there are just as many in the college who thoroughly enjoy being there as there are R. C., Box 1381.

#### ROTTEN OR WHAT?

Each succeeding issue of the Golden Gater elicits the same comment from the majority of the student body.
At a glance they pronounce it "rotten." Are they endowed with some miraculous power to judge "sight un-seen" everything in the paper? Do they tear it apart column by column and tell why they think it bad? They

If you grant that it is rotten and ask for constructive criticism your victim is completely at a loss. He stam-mers, and flees precipitously. He condemned the paper without reason; he doesn't know what's wrong with it because there is no thought behind his complaint.

Let's have a little brain work behind all this criticism Then the editors of the paper will have a chance to give the student body the sort of weekly it wants.

#### MOB SCENE

Dear Editor:

There is such a lot of pushing between classes, one ald think the students had two minutes to get to a fire,

rather than ten minutes to get to a class.

Couldn't we be just a bit more considerate of the stu dent who doesn't exceptionally enjoy being crushed between classes?

A. R., Box 1383.

#### STUDENT TIME IS VALUABLE

Dear Lid-Lifter:

Is there any possible way of impressing upon the minds of the faculty that time is valuable? In class the other day a professor spent precious moments trying to press upon the students that punctuality was one of the most important things a student should learn. Certainly it is just as important for a teacher to practice as the student. In fact it is up to them to set examples for him. Students make appointments; sometimes the professor is late, and then again he may not show up at all. The student's time is of as much value to him as that of the professor. Why not give the student a little considera-

#### The Sierras

Thy rocks and rills, dear land, proclaim Thy wondrous grace and majesty; I praise and honor to thy no Yield humbly and most lovingly.

Nature oft fashions airy clouds Around each snowy mountain peak, And their soft coloring enshrouds Its escarpment and flowered feet.

Thy cascade rills complete each scene, Since in rich bounty there are poured A fund of streams where trees may lean And use the riches they afford.

None but Sierras have the slopes In all their varied tints and hues: Man, in his painting, feebly gropes To copy colors that are used.

But all in vain-for God alone Can shade each mountain, flower, and tree. To imitation man is prone-But must admit futility.

There ne'er could be a better state, O California, fairest land—
The greatest state of all the great, In beauty, grandest of the grand. -Stanley Sieber.

## Transition

Warmly, lazily sensuous summer lay upon your verdant eastern hills. The straggling, dirty, little town was uffocating to you, who wished to play irresponsibly with the long-journeying breeze upon the hill-top. You went up there to visit amiably with the nature-mother, who welcomed you with soft, caressing airs and tall grassrippling smiles and leaf-rustling whispers of tenderness. you did not come for long sometimes, she scolded you by rock-rumblings in the stone quarry and flashing snake-movement grimaces, but in your sorrow-for you had longed to come and could not-she forgave you with strong breeze-claspings and gentle tear-showers.

Then the hills went out of your life like a quickly extinguished flame, and the city came into blind you like a match flare in utter darkness. Those summer days upon the hills had been compact of calm boy-happiness; the lick-passing days on the pavements were more and n frequently filled with sorrow. No longer could you go to the great nature-mother for companionship and solace. Here she was not a mother at all. She was unfeeling in heart and ugly of exterior. There was no verdancy upo her bosom and no warm sympathy in her breast. You wooed her long and desperately, with hope that she was but punishing you for neglect and would show her under standing mother-self at last. She could not, here. She was no mother. Here she was sterile.

-Charles Britten.

## **Battle**

For many miles above the earth, The war is raging in its mirth. The dawn patrol has left its lair In the darkness of the biting air.

Swift as the wind do these pilots fly, In V-formation through the sky.
Like hordes of wild geese in their flight, They wait on for the deadly fight

Their faces desperate, grim and stern, To them death is a thing to learn. They know that they are doomed to die Sooner or later like a spy.

At last in the distant sky they sight, The blackish planes of the enemy flight. The pilots sense that death is near, And yet they seem not to fear.

Like a pack of wolves they dash at their prey, Hoping to end it by winning the fray. Filling the sky with screaming ships, Some fall to earth in fiery strips.

Much credit do these men deserve, For whom their country they did serve. Through all the grief and aching sorrow, They live today and die tomorrow.
